

I really enjoyed going to this class because Bagade sir cracked many jokes while teaching us. I ~~didn't~~ didn't get bored but instead I liked coming to this class. He sir taught us very well ~~so~~ through which we understood every subject. If we had any doubts ~~in~~ in any topic, sir would surely clear it. Leaving studies, sir also told us many stories and quiz asked us to solve many quizzes. From I have had come to class in 4th and in 7th too but I never got tired or bored of coming to the class. Even Ma'am taught us very well. I will always remember this class. - Archana Tyer.
