School-Symbiosis primary school

Name-Gaurang Mandar Musale

Language and Teachers - 2 teachers were teaching us, 1 sir and 1 teacher. The teacher was teaching us language <sup>and social science</sup> and sir (B. Bagade Sir) was teaching us intelligence and General Science. We were given 3 ~~books~~ books through the year. Language Digest, Maths and social science, and Intelligence and General science digests. Vidyaniketan classes is the name. Sir also took computer sessions and test series. I used to hate to do test series when class ended we used to play on the swing as a train and travel worldwide, imaginary. I like my class
