

26.2.2012

NAME: Shruti Bhat

STD: 4th

SCHOOL: Learning Home

MY EXPERIENCE OF THE CLASS: It was really great of just thinking that I am in a class whose teacher is going to set my Scholarship Examination Papers and that is why I was confident about my studies. I thought of joining this class just because my best friend was here. But I began to like it and when she left it I stayed back.
